Siramet Sinkhruesuan

281, Phaya Nak Alley, Phetchaburi Sub-district, Ratchathewi District, Bangkok 10400

Siramet603@gmail.com, 0621645519

Driven developer with hands-on experience in full-stack web application development, seeking challenging opportunities to apply technical expertise and continuously expanding my skill set

Education

- **Chulalongkorn University – Bachelor of Science in Computer Science, May 2025, GPA 3.06**

Internship Experience

Associate Software Engineer (Internship)
Quantium Technology Co., Ltd. — Feb 2025 – May 2025

Worked as a Full-stack Developer at Quantium, a leading platform for fund and portfolio analytics, investor servicing, and operational efficiency in the private markets industry.

- Developed and maintained web applications using Angular (frontend), C# (.NET) (backend), SQL Server, and MongoDB
- Implemented UI components for investment dashboards, investor reporting, and fund operations tools
- Collaborated with product and engineering teams using Trello for Agile task management
- Managed source control and CI/CD pipelines via Azure DevOps
- Gained practical exposure to fund structures, investor allocation workflows, and financial reporting systems

Project

- E-commerce website: Developed a full-stack e-commerce website using React and MongoDB, enabling users to browse products and add to cart.
- Senior Project: Developed a web-based chatbot for the OCSC Learning Space platform using **Generative AI.** The system answers user FAQs and reduces support workload by providing 24/7 assistance. Built with **React, .NET (C#), SQL**, and integrated via **OpenAI API** and **Postman**.

Skills

- Programming Skill

  - Python, Java, SQL, NoSQL, PHP, HTML, CSS, JavaScript, React, Power BI, Tableau, RapidMiner, MongoDB, Angular, C#
  - Expertise in programming & coding, solution design, database management, Data Analyst, and Agile methodologies

- Speaks and writes fluent English at intermediate level

- Soft Skill: Communication, Adaptability, Willingness to Learn, Problem-Solving
